Children's Scholarship Fund-Charlotte (CSF-C) is a nonprofit organization dedicated to providing educational options for children (grades K-8) from low-income families residing in Mecklenburg County.

The organization's purpose is to fund partial tuition assistance to economically disadvantaged children so that they may attend participating partner independent schools which most effectively address their academic, emotional, physical and/or spiritual needs.

Through our support, we believe that children can be taught where and how they best learn which will enable them to reach their highest potential.
